Oggetto: Invitation to the LEARN-OUT Transnational Meeting ? 30 June / 1 July 2025 ? Completion of Organizational Form

Dear Partners,

Following the last SC Meeting, we'd like to confirm the dates of the 5th Coordination Meeting of the LEARN-OUT Project, which will take place on 30 June and 1 July 2025 in Pieve di Soligo and Sarmede (TV), Italy.

The meeting will include a working session on WP1, WP4, and WP5 (first day), as well as an important moment (proposal: the entire second day) dedicated to the definition of the educational materials for the LEARN-OUT Joint Training (to be realized then in September 2025).

Please find attached the proposed agenda with the detailed programme of the two days.

?R In order to help us better organize logistics, meals, and accommodation, we kindly ask you to fill out the attached form by 15 June 2025.

As written in the agenda, we are planning to host you (the ones spending a night out) in Alloggi Agrituristic Le Vignole, the same location of the dinner (the price is pretty good: 60?¬ per night per person).

Should you need any further information or assistance, feel free to contact us at segreteria@galaltamarca.it.

Best regards
